Notes:

- ¹ Capacity shown is Program Capacity for elementary schools and Planning Capacity for middle and high schools.
Program Capacity provided is a Pending Program Capacity used for portable classroom planning. It is subject to budget approval and final program placement.
- ² Totals and differences may not reflect reported integers because of use of fractions in forecasted student enrollment.
- ³ Totals for all columns, except for 'Additions' and 'Subtractions', are calculated upon displayed values and those individually associated with schools not displayed where no changes to portable classroom are planned for 2020-21.
